UNIT

Daide Diliberto

E' una linea passepartout, la prima della gamma moderna ad essere concepita come sistema esteso. Il concetto di complemento per tutto l'ambiente si traduce in una serie di accessori disegnati su una speciale sezione quadrata ammorbidita per adattarsi ad ogni stile.

It is a passepartout line, the first one to be conceived as an extended system within the modern range, a complement for the whole environment. UNIT is a complete series of handles and accessories designed around a special cross section, squared and softened at the same time to be suitable for any kind of styles.

PILOT

Un modello dalle linee decise, caratterizzato da forti contrasti di luce. La forma compatta, l'aspetto tecnico e il bordo anteriore sottilissimo la rendono ideale per ambienti moderni e contract.

The strong lines of this product create a contrast of light and dark. The compact shape, technical design and extremely thin front edge are particularly suited to modern or commercial properties.

H-FINISH

La finitura **Grafite** è stata introdotta in questo settore da Salice Paolo nel **2011**. Da oggi è realizzata con tecnologia **PVD** che ne garantisce altissime prestazioni fisiche, chimiche e di durata, oltre ad avere una tonalità più neutra per la massima versatilità.

*The **Graphite** finish has been introduced into the market by Salice Paolo in **2011**. Now it is made by **PVD** technology that ensure high physical-chemical performances and durability, in addition to a neutral color to increase versatility.*

Ogni prodotto Salice Paolo è disegnato, realizzato e rifinito in Italia con alti standard di qualità. Sull'etichetta di ogni confezione è riportato il codice **Trace Me Code** che consente di verificarne online l'autenticità.

*Every Salice Paolo product is designed, made and finished in Italy with high quality standards. **Trace Me Code** is on every packaging label, allowing the customer to verify online that the purchase is genuine.*
